If you wish to attend mass, please follow the instructions on the note. Thank you

We ask for your patience as we try to register everyone coming to worship. To reserve a place for Mass in either of our churches call **0207 624 1701**

## Face Masks

It is **highly recommended** by the Health Officials that face masks should be worn whilst attending Mass in Church. People are asked to provide their own face masks where possible. We have a limited supply in both churches.

## Guidelines for joining in the celebration of Mass

No one could have predicted the events of the last **5 months**. Our world has been turned upside down by the Virus known as **Covid 19**. To date, over **45,300** people have died in the UK alone. The World Health Organisation (**WHO**) have asked us to protect ourselves and also protect others. When we enter the church we are encouraged to co-operate with the volunteers and have our hands washed and to give them our names and contact numbers. Please remember, that the people at the front of the church are **volunteers** and without their continued support we would not be able to open the church up.

Quex Road is open more than any other church in the Archdiocese.

Please follow the Government guidelines about being in public places and always wear a face mask in church.

Communion will only be distributed on the hand and **NOT** on the tongue. We are encouraged to vacate the church as soon as Mass is over in a calm and orderly manner. After each Mass the volunteers clean the church and prepare it for the next group coming after you.

**These are trying times for all of us.** We are all called to be vigilant and not to take any unnecessary risks. Please help us to follow the guidelines laid down by Government so we can continue to keep our church open.

### Credit Union at Quex

We are delighted to announce that the Credit Union will re-open here at Quex Road on **Monday August 3rd** from 6pm-7.30pm. Many thanks to Izzy and Martha who volunteer to run this project for us here in Kilburn.

New members always welcome!

**Call in and check it out!**

### Foodbank

Many thanks to all those who support the foodbank here in Kilburn. At the moment we are in desperate need of tinned meat, tinned fish and tinned fruit. We have enough tinned beans and tinned soup to sink a battle ship at the moment!

## Prayer for the dead

Each Friday, the Parish Team will gather and will lead a prayer service when they will pray for the dead. It will be recorded and the service will go live on our Facebook page.

Last week Fr Johnson led us in a reflection on the various countries in the world where the virus is continuing to spread. This week Fr Terry will lead us in a reflection for those who have died with

**Cystic Fibrosis**. Each year he is the Chaplain to the Irish Pilgrimage to Lourdes for those living with **CF**. Join him on Friday evening at 7pm on **Facebook** at **oblate parishes kilburn**

Through the Quex, we want to assure all the members of the Young at Heart Club that we will be re-opening as soon as we possibly can after the summer. We will keep you informed as soon as we have firm details and a programme for the year.

Are you **First Aid** trained or have a **nursing or doctor**

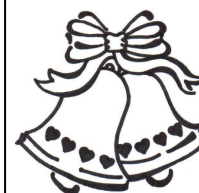

background? We are looking to build up a database of people who attend Mass with a medical background that we can call on in a medical emergency during Mass in our churches. It would be great if we had a first aider at each mass, especially at the weekends. Please contact Fr Terry ASAP.

## Memorial Mass

If you have experienced the death of a relative during lock down and were denied the option of celebrating a Funeral Mass for them, why not Contact Fr Terry or Fr Tom to arrange a Memorial Mass for them. We have a number booked in already. It would be a great way to gather family and friends and celebrate the life of someone that you loved.

## First Communion Celebrations

The latest news from the Archdiocese is that we can now proceed with celebrations of First Communion. We are offering the following suggestions to parents. We will hold a celebration on **August 1st at 12 noon or 3rd, 4th and 5th at 7pm** in Sacred Heart Church. We will limit the celebrations to **15 Children** per mass with a maximum of **10 guests** per family unit. Eileen will contact parents over the weekend to see if there is any interest in any of these dates.

## Congratulations

This weekend we are delighted to be able to celebrate the wedding of

**Sarah Lynch** and **Alex Taylor Guillen** in our church. It is the first wedding since lockdown.  
**"May God bless this couple who marry today"**
